

Vitalyz Silver SPA (Seated Physical Activities) **4hr training workshop**

- Carers who understand the potential of regular physical activities are encouraged to offer a more person-centred and sustainable service.
- Once care team members have received appropriate training, they can provide a range of simple seated exercises in their own care setting, under their employers insurance.
- Why should activity provision be the sole responsibility of the activity coordinator? Vitalyz promote the 'team' approach to activities.

Aims and objectives

Section 1 – Introducing learners to a variety of exercises that can be included in a simple seated activity session. Practical group work will help re-enforce the learning process and enable learners to deliver these exercises straight away.

Learners will be encouraged to think about health & safety, risk assessments and appropriate record keeping for physical activities.

Section 2 - Learners will be given the opportunity to deliver a few basic seated exercises to each other, to gain an idea of how to motivate seniors and less able adults. The additional exercises demonstrated in this 'hands on' section will allow learners to deliver a simple exercise routine. This 'routine' is supported by a DVD which learners can use to remind them of the exercises.

Section 3 - As equipment is introduced, learners will be encouraged to think about health & safety when using items such as massage balls, stress balls etc, as well as essential equipment hygiene and storage.

Outcomes

Learners will:

- Develop a basic understanding of how and when to deliver safe and appropriate seated exercise, whilst considering the needs of the client.
- Explore a variety of ways of delivering a FUN, meaningful, and stimulating seated physical activity session.
- Gain an understanding of how to include basic equipment in a simple seated exercise session.
- Be able to practice delivering seated exercises in a safe, fun environment.
- Receive comprehensive workshop notes, a Vitalyz Stress Ball DVD, a certificate of attendance and a 'silver' Vitalyz lapel pin
- Take away what they have been shown and start using it straight away!

Suitable for - Carers, Health care support workers, Social Care Management, Healthcare professionals and Volunteers - to name but a few! This workshop is informative for those working/intending to work in care settings.

In-house price = £595.00 (exc VAT)

Travel fee is applicable, please supply venue postcode for quote.

Maximum workshop group size is 10

If a receipt of payment is required, please ask and this may be sent by Email or post, as agreed.

Cancellations

It is the intention that all training shall take place on the agreed date and at the agreed venue.

Vitalyz - In the unfortunate event that a trainer cannot attend, the customer will be notified by telephone straight away and eligible for a full refund.

If an alternative date can be agreed within the following 3 months, the customer will be entitled to a 5% refund.

Customer - If a customer needs to cancel, they are advised to telephone the Vitalyz office immediately.

If written notification of cancellation (letter or E-mail) is received by Vitalyz less than 14 days before the date of training no fees will be refunded (ie: full payment is due).

If written notification of cancellation (letter or E-mail) is received by Vitalyz 14 days before the training date, the customer will be eligible for a full refund (ie: no payment is due)

Short notice bookings

If a booking is made where the training is to be held within the next 30 days and the customer later cancels, full payment remains due and NO fees will be refunded.

Confirmation of booking denotes acceptance of the above terms.
