

Specialists in training people to deliver therapeutic, seated physical activities to less able and/or elderly persons

Introduction to Basic Seated Exercises in a Social Care Setting

College of
Occupational
Therapists

A unique, L1 training course to support Continued Professional Development*
Vitalyz promote the delivery of basic seated exercises
to less able persons and/or seniors living or attending a social care setting.

Friday 25th June 2010

BVSC, The Centre for Voluntary Action, 138 Digbeth, Birmingham B5 6DR
2 minutes walk from The Bullring

Liquid refreshments available onsite, please make your own lunch arrangements

Participants will:

- Learn (through experience with a Vitalyz instructor) a number of seated exercises suitable for various levels of abilities
- Enjoy lively discussion on the benefits of physical activities
- Explore a range of motivational techniques to encourage participation
- Gain an understanding of health & safety implications
- Receive a comprehensive workbook and case study notes, a Vitalyz stress ball, 2 x Vitalyz seated exercise DVDs and a 'gold style' Vitalyz lapel pin.
- Leave with a confident and positive attitude to this therapeutic activity!

*After the training, learners are required to complete 4hrs work-based case study, involving delivering the seated exercises learnt.

Evidence including assessment, recording and evaluation is to be submitted within an agreed timescale for Vitalyz to verify before applying for OCN certification.

£195 per learner (exc VAT)

Registration from 9am to begin promptly at 9.30am & finish approx 4.45pm.

Numbers are limited. FULL payment required in advance.
