

Vitalyz SPA & Sensory Experiences **4hr training workshop**

- Carers who understand the potential of regular physical activities are encouraged to offer a more person-centred and sustainable service.
- Why should activity provision be the sole responsibility of the activity coordinator? Vitalyz promote the 'team' approach to activities.
- Most of us have all our 'senses' so Vitalyz help learners explore how to approach clients with sensory challenges.

Aims and objectives

Section 1 – Introducing learners to a variety of exercises that can be included in a basic seated activity session. Practical group work will help re-enforce the learning process and enable learners to deliver this activity straight away. Learners will be encouraged to think about health & safety, risk assessments and appropriate record keeping for activities.

Section 2 – Explore how to stimulate and enhance some of the senses for clients during seated activities. Vitalyz provide learners with a range of practical, low cost ideas plus some easy-to-access equipment options to deliver a more sensory approach to everyday activities.

Section 3 – Through some practical exercises, learners will experience losing one or more of the senses that we take for granted. A discussion is facilitated about how best to communicate with sensory impaired clients and whether our current methods of communication are appropriate.

Outcomes

Learners will:

- Develop a basic understanding of how and when to deliver safe and appropriate seated exercise, whilst considering the needs of the client.
- Explore a variety of ways of delivering a FUN, meaningful, and stimulating seated physical activity session.
- Gain an understanding of how some people with sensory impairments may feel.
- Discuss ideas on how to approach activities for some sensory impaired clients.
- Receive comprehensive workshop notes, a certificate of attendance and a Vitalyz lapel pin
- Take away what they have been shown and start using it straight away!

Suitable for:

Carers, Health care support workers, Social Care Management, Healthcare professionals and Volunteers - to name but a few!

This workshop is informative for those working/intending to work with any less able and/or senior persons, not just those with a sensory impairment.

Cost

In-house price = £595.00 (ex VAT).

Travel fee is applicable, please supply venue postcode for quote.

Maximum workshop group size is 10

Portsmouth,
Hampshire,
PO2 7JT

Receipt

If a receipt of payment is required, please ask and this may be sent by Email or post, as agreed.

Cancellations

It is the intention that all training shall take place on the agreed date and at the agreed venue.

Vitalyz - In the unfortunate event that a trainer cannot attend, the customer will be notified by telephone straight away and eligible for a full refund.

If an alternative date can be agreed within the following 3 months, the customer will be entitled to a 5% refund.

Customer - If a customer needs to cancel, they are advised to telephone the Vitalyz office immediately.

If written notification of cancellation (letter or E-mail) is received by Vitalyz less than 14 days before the date of training no fees will be refunded (ie: full payment is due).

If written notification of cancellation (letter or E-mail) is received by Vitalyz 14 days before the training date, the customer will be eligible for a full refund (ie: no payment is due)

Short notice bookings

If a booking is made where the training is to be held within the next 30 days and the customer later cancels, full payment remains due and NO fees will be refunded.

Confirmation of booking denotes acceptance of the above terms.
